

SUNTEK® PAINT PROTECTION FILM **ULTRA CLEAR & MATTE**

TECHNOLOGICALLY
ADVANCED AND BACKED BY A
10-YEAR LIMITED WARRANTY*

SunTek Paint Protection Film Ultra is scientifically formulated to help maintain the beauty and integrity of vehicle finishes for many years, in all kinds of weather. It's a combination of innovative film technologies that we stand behind with a 10-year limited warranty.*

SELF-HEALING PROTECTION

Repairing scratches is almost effortless; film self-heals using heat from a vehicle's engine or the sun.

LASTING RESISTANCE

HydroResist™ top coat increases stain resistance and the film's longevity by limiting water and dirt accumulation on the surface.

CLARITY & SHINE

Paint Protection Film Ultra is available in matte and high gloss finishes. Outstanding optical clarity makes film nearly impossible to detect once installed.

OUTSTANDING ENDURANCE

Automotive finishes stay fresh and flawless longer with a film that helps shield against damage caused by rocks, insects, and other road debris.

10-YEAR WARRANTY*

Professionally sold and installed PPF Ultra is backed by a manufacturer's 10-year limited warranty* against cracking, bubbling or yellowing.
